Michelle Steinbeck, Mother of the Bride

Sunny did an awesome job—playing ceremony music for outside wedding. He was very flexible and professional. He was the DJ for the reception and kept everything going—even in the midst of a power outage during dinner.

Rachel Nida Stephenson

Sunny made the day and evening flow very well with my choices in songs. He got people up to dance and coordinated with my photographer. He had a planning sheet for the ceremony and reception and we met a week before to discuss everything!

"Thanks again for everything! You guys made the night so fun. And your help with keeping things running smoothly was such a help to me, you can't imagine. You took my worries away 😊 I am so glad I found you. It was a perfect fit 😊 Thanks! —Kathy"

Julie Branch – Wedding Coordinator

"Just a note to thank you for doing such a great job for the Wedding this past Saturday at the Zoo. Despite the challenges with the weather, unsupervised children and intoxicated MOG, you maintained your always present professionalism. It is always a pleasure to be on a bride's wedding team with you and I look forward to doing it again soon."

Mindy Ahern – NFL Experience / Super Bowl XLVI

"Sunny and Matt were great assets to the Hall of Famers Reception and the Football Wonderland pre-game and post-game celebrations. You guys kept the party going all day!"

Erin Bradburn, Wedding Event Planner – Conrad Hotel

"We highly recommend Sunny Moon. He is absolutely amazing at what he does. He takes time to listen to our clients and delivers what they want, which makes a great experience for all!"

Go cheap, you will be embarrassed...

Please take a minute to read this if you are in the market to hire a DJ.

I am 53 years old and have been to a number of events with a DJ, as have you. We all realize that some were very good, some okay, and some stinkers. Kind of like everything right? Isn't it crazy that you get what you pay for? Anyway, believe it or not, my 2 children coincidentally both got married this summer. 2 rehearsal dinners, 2 weddings, 2 receptions. Unfortunately, a lot more than 2 checks. To the point, I am providing this as a testimonial of Sunny Moon, Professional DJ. I know that you, like me, are not made of money, and want to be judicious where possible. Bottom line is all the money you invested in the venue, food, drinks, flowers, etc, could be totally eclipsed by a bad experience with a substandard DJ. Shut up. Write the check. Go cheap, you will be embarrassed. I've been there and I am speaking from experience. Please feel free to contact me: scotttn466@yahoo.com, 317-945-6611.

Dream Wedding... Brad & Ellie Cole

We got married this past October and Sunny was an amazing DJ. He met us at our home which was so convenient. He helped us pick out songs we hadn't thought about, and used every song I wanted to hear. They drove all the way to French Lick to help make our day perfect! The guests raved about the great music and still bring up how great Sunny was at the wedding. I would recommend him to anyone and not just for weddings. Dances, shows, anything! They are such wonderful people and I couldn't have imagined my wedding without them a part of it. Thank you from the bottom of my heart!
